Dry bones in the dust

Am Em

when all hope has gone

G D

And we need lifting up

Am Em D

Can there be life? - Can there be life?

There's a new song

Like a break in the clouds

C G Em D

Bones rattling

C G Em D

Sinew forming

C G Em D

Muscles flexing

C G Em D

Blood flowing

C G Em D

Hope growing

C G Em D

Armies singing

C G Em D

Singing praises, praises

C G Em D

Singing praises, praises

C Em

Even in the valley
